THE IMPORTED BULL

PATHFINDER

Cows at twenty five dollars to ensure a cow with ealf.

Not upper the oten cows can be received before the light of July, as his engagements are nearly complate opto that time.

In affering the services of this boll to the brandars of line filouded Cattle, we invite their must aritical attention to his pedigree, es being if not onequaled, certainly, onsurpersed in the variety end purity of its crosses, by that of eny soline lever imported into America.

that of eny solmel ever imported into America.

His seligrae on the dem's side will be found in lhe Kantacky Coltivator.

The pedigrees of his sires are much too long for insertion is eny poblic print. We will therefore only note now, that among his must immediste Brandsires in the Herd Block, are to be found the names of such bolts, as Bochea Hero (3238.) Sir Tromas Fainfax (5196) Norfolk (2377) & Hetes' secund Hobback (123) through which he desends in a direct line from Mr Bstee' celebrated Cow Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of what is known as the "Ducutss 1st, the greet origined of short horns. The Bulls neared ebove were all winners of the first three ere given in the Hard Book, from which hreeders may determ ine accurate by the merits and demerits of this strein of store of shoring to 51 25 all round—and in proportion for other charges.

The pedigues of Pathfindar is peculiarly The pedigues of Pathfindar is peculiarly exempt from the evils of two close braeding, indeed no "in oad in" cross can be found in it, and we therefore have every reuson to anticipate vigos of constitution and symmetry of torm in his calves.

Cowa sent from a distance will receive every ettention, but we will incor no liability for accidents.

ASTONISHING CURE.

ASTONISHING CURE
Patterson, N. Y 20th, 1851

Messes A. B. & D. Sands: Gentlemen.—
Having witnessed the most benshire of flowing from the use of your Sarsnparills, it gives mapleasure to send you the inflowing statement in regard to my son. In the spring of 1848 he took a severe cold, end after night weeks of acrera suffering the disease settled in his left leg and foot, which soon swelled to the utmost. The swelling was lanced by his Physician, and discharged most profusely; efter that no less than eleven ulcers fortoof on the log and loot in the time. We had fire different Physicians, but none relieved him much; and the last winter found him so emercated and low that he was unable to leavable beds: fiering the most excurciating pain. During this time the was unable to leavable beds: fiering the most excurciating pain. During this time the both of the process of his recovery, but in this time we ware induced to try your Sersoparille, and with its osehis health and appetite began immediately to Improva, and so rapid west the change that less then e dozen butten effected a perfect cure.

With gratitode, I remain truly yours.

With gratitode, I remain truly yours, DARIUS BALLARD.

We the undersigned, nnighbors of Mr. Ballerd, cheerfully subneribe to the above antagement.
